

GRADUATE STUDIES

Bucknell grants master's degrees in animal behavior, biology, chemistry, education (college student personnel), engineering (chemical, civil, electrical, environmental, and mechanical), English, mathematics, and psychology. Five-year coordinated bachelor's and master's programs are provided in chemistry and engineering.

Students are admitted to graduate standing by the dean of Graduate Studies. The *Graduate Studies Catalog* and applications for admission and graduate financial aid are also located on the web at bucknell.edu/GraduateStudies.

A regular undergraduate student, with a strong record of academic achievement, who has arranged to complete all undergraduate degree requirements may, with prior approval, take up to two courses for graduate credit. An application for graduate credit by an undergraduate student may be obtained from the Office of Graduate Studies.

Non-degree students wishing to enroll in graduate courses must apply to the Office of Graduate Studies.
