

BACHELOR OF MANAGEMENT FOR ENGINEERS

The Bachelor of Management for Engineers (BME) degree is open to students admitted to the five-year joint degree program in engineering and management. The program leads to a joint degree comprising the Bachelor of Management for Engineers degree and the Bachelor of Science degree in one of the specific engineering disciplines.

Major Requirements

All BME majors must fulfill all University degree requirements, including the College of Arts & Sciences College Core Curriculum (<http://coursecatalog.bucknell.edu/collegeofartsandsciencescurricula/curriculaoverview/collegecorecurriculum>), and must take the following combination of six required and two elective courses:

BME Core Requirements

MGMT 101	Introduction to Organization and Management	1
ACFM 104	Foundations of Accounting I	1
MIDE 201	Marketing	1
ACFM 210 or ACFM 203	Managerial Finance Corporate Finance	1
MGMT 302	The Stakeholder Organization	1
MGMT 304	The Strategic Organization	1

BME Electives

Beyond the BME core requirements, all BME majors must take **two** (2) Freeman College of Management elective courses, chosen from MGMT, ACFM, ANOP, GLBM, MIDE, MORS, and/or MSUS course offerings – one at the 200 or 300 level and the other at the 300 level.

Students in this program may satisfy one of their eight Freeman College of Management courses through transfer of credit from a non-Bucknell program with prior approval of the College of Management. Suggested course sequences for the program and detailed information on the degree requirements are available from the Freeman College of Management or the Office of the Dean of Engineering.
