

OPTIONAL MINORS (MG)

Minors are optional both on the part of faculty and students; no department or group of faculty members is required to offer a minor and no student can be required to elect a minor. Please consult Academic Standards & Policies (<https://coursecatalog.bucknell.edu/archive/2025-2026/academicstandardspolicies/>) for additional details on minor regulations and how to declare a minor.

Optional minors are available to regular undergraduate students in each of the areas listed below. Details of the requirements for each minor are listed on the indicated pages.
